Door Panels - Lead & Film.

*Decra Led*®

# *Decra Led - Putting flair and style..*

Welcome to the wonderful world of Decra Led.

The world that brings windows, doors and conservatories to life.

To life in a way never before possible.

Why? - Because there is now available a fantastic range of exclusive designs for you to choose from.

Glass panels that combine elegant bevelled glass shapes, striking colours, including marbled effects and even subtle textured/frosted effects.

As you can see from the designs in this brochure there is something for everyone: modern and traditional designs.

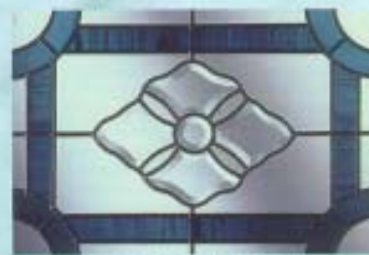

The only problem you will have is deciding which one!

 **Decra Led**®

*The leaders in decorative glass*

*.. into  
Doors and  
Windows.*

A new concept of bevelled glass shapes that have a richness and depth to make your door entrance special, to welcome visitors into your home.

And it doesn't stop there. You can use bevelled designs on any interior door throughout your home.
